

Sorrowing Hearts at Home
Weeping Sad and Lonely
When this cruel war is over

Song Musical department
with Chorus

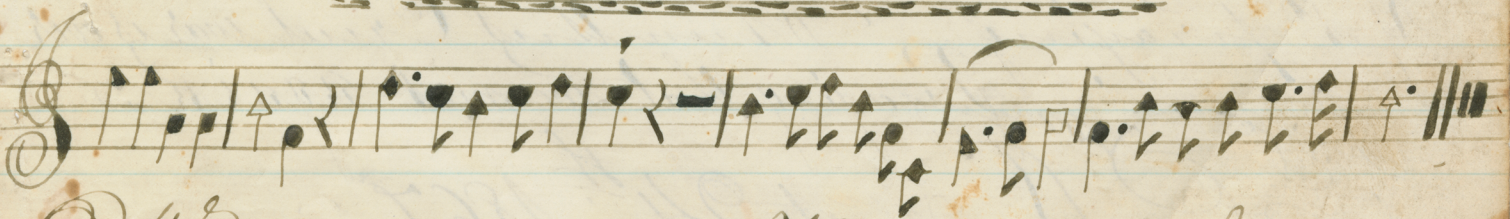

Dearest love do you remember When we last did meet
How you told me that you loved me kneeling at my feet

Oh how proud you stood before me In your suit of blue
When you vowed to me and Country Ever to be true

Chorus

Weeping sad and lonely Hopes and fears how vain
Yet praying When this Cruel war is over
Praying that we meet again

Song with Chorus

Continued

2^d When the summer breeze is sighing Mournfully along
Or when Autumn leaves are falling Sadly breathing the song
Oft in dreams I see thee lying On the battle plain
Lonely wounded even dying Calling but in vain

3^d
If amid the din of battle Nobly you should fall
Far away from those who love you None to hear you call
Who would whisper words of Comfort Who would soothe your
Ah! the many cruel fancies Ever in my brain pain

4th
But our Country Called you darling Angels Cheer your way
While our nation's sons are fighting We can only pray
Nobly strike for God and liberty Let all nations see
How we love the Starry banner Emblem of the free

Chorus

Oh weeping sad and lonely
No hopes and fears how vain
Yet praying When this Cruel war is over
Laying down our arms
Saying praying that we meet again
